Sir:

The enclosed Information Disclosure Statement, with references and Form 1449, is a copy of the IDS, references, and Form 1449 submitted by the applicant on August 18, 2003 and again on October 23, 2003. This second hand-delivered re-submission is pursuant to a telephonic conversation this afternoon with the Examiner, who stated that the records of the USPTO do not reflect that the October 22, 2003 re-submission was received.

To demonstrate that the USPTO did receive the October 22 re-submission, applicant has attached a copy of the stamped postcard showing that the USPTO received the hand-delivered re-submission on October 23, 2003.

Because the IDS was originally filed on August 18, not more than three months after the Supplementary European Search Report was received, applicant is entitled to have the attached IDS considered by the Patent Office (37 CFR 1.97 (d), (e)(1)) without filing an RCE.

No fee is believed to be due with this second re-submitted IDS, unless the Patent Office failed to charge appropriate fees for the August 18 IDS. In any event, please charge any fees due to Pennie & Edmonds Deposit Account No. 16-1150.

Respectfully submitted,

UNITED STATES POSTAL SERVICE INTERRUPTIONS

*Office of Patent Legal Administration << Pre-OG Notices << United States
Postal Service Interruptions*

The United States Postal Service (USPS) has informed the United States Patent and Trademark Office (USPTO) that as a result of the power outage on Thursday, August 14, 2003, a number of post offices throughout the Northeast and Midwest United States are closed or are not accepting mail. The USPTO is designating the interruption in the service of the USPS as a postal service interruption and an emergency within the meaning of 35 U.S.C. § 21(a) and 37 C.F.R. 1.6(e). As soon as the USPTO receives further information from the USPS as to when postal services in the affected areas will be resumed, the USPTO will post the information on the USPTO's Internet Web site at www.uspto.gov and a final notice will be published in the Official Gazette.

Correspondence that would have been filed with the USPTO under 37 CFR 1.10 during this USPS service interruption, but which was not filed due to the USPS service interruption, should be filed promptly after the termination of the USPS service interruption with a statement that the correspondence would have been deposited with the USPS but for the designated interruption or emergency in "Express Mail" service.

Inquiries concerning this notice may be directed to Eugenia Jones by e-mail at eugenia.jones@uspto.gov or telephone at 703-306-5586.
